Our WI belongs to the Sheepbells Group which meets twice a year with a variety of speakers or entertainers

The Wiltshire Federation puts on numerous events for members to choose from. 2009 is the Federation's 90th Birthday and a big Party is to be held in Salisbury in July, as well as a Talent Show in April and an abundance of interesting, educational or exotic events throughout the year.

The National Federation is very active and initiates new Campaigns each year through its Resolutions at the AGM in London or another large centre. Campaigns are followed-up in future years. 2009's subjects include action for the honey bee, consistent fees for care homes, and hospital cleaning. Some more recent topics include our concern over the trafficking of women, post office closures, and children's food. Higher milk prices have been achieved for farmers. Hospital closures, Recycling and reduction of packaging, and The Carbon Challenge are high on the agenda.

We can provide excellent Refreshments if your Group is visiting the area
